MEZE & WINE

“You say freak, I say unique”

—CHRISTIAN BALOGA—

RETSINA. LET YOUR FREAK FLAG FLY.

Ah Retsina, the wine your parents warned you about. Yes, Retsina is wine that has added pine resin for flavor and yes, that sounds scary. But hold on a second, think about all the flavored alcohol you drink: Vermouth, a zillion Vodkas, Rum, White Claw. So stop being afraid.

Frankly, modern Retsinas like the organic and biodynamic ones we serve are subtle, diverse, and in some cases taste like fabulous gin. So be brave, be adventurous. Be the person at the table who drinks the wine so cool it intimidates hipsters. Oh, and pair it with fried food. Trust us. Yiamas.
